

Skin-So-Soft Uses

Repel mosquitoes. This skin cream also happens to double as the best mosquito repellent available, according to *Outdoor Life, Field and Stream*, and advice columnist "Dear Abby."

Remove makeup. Rub a dab of Skin-So-Soft over your face, then wash clean with water.

Get a suntan. Skin-So-Soft works as a suntan oil.

Take a soothing bath. Add two tablespoons of Skin-So-Soft to a warm bath as a bath oil.

Soften finger nails. Warm Skin-So-Soft and use as a hot oil treatment to soften nails.

Enjoy a massage. Skin-So-Soft is an excellent massage oil.

Relieve itching from insect bites. Applying Skin-So-Soft over the affected areas alleviates itching.

Repel insects. Sponge Skin-So-Soft on screen doors and around door jambs and windows to keep out crawling bugs, flies, and mosquitoes.

Clean grease and dirt. Squeeze Skin-So-Soft onto a soft cloth to remove grease stains from formica surfaces and oven range hoods.

Remove chewing gum from hair or carpeting. Rub a dollop of Skin-So-Soft into the bubble gum.

Clean grease and oil from skin. Rub Skin-So-Soft into the skin and wash clean with water.

Lubricate pipe joints. Skin-So-Soft works as an oil lubricant for fitting pipe joints together.

Remove candle wax. Rub a dollop of Skin-So-Soft to remove candle wax from furniture, carpeting, and clothing.

Pry apart two bowls or glasses. Dribble a few drops of Skin-So-Soft down the sides, then slip the bowls or glasses apart.
